## Dates for your diary...

We will be holding our October event on Saturday the 14<sup>th</sup> between 10am and 12pm. This year's theme will be Julia Donaldson! We will have many fun free activities for all ages of children to participate in based on some of our favorite books. Everyone is welcome so please tell all your friends and family.

## Wow moments!

The Wow box is back in full operation and the tree is waiting for all your lovely achievements. If you are unsure what this is about the children have the opportunity to get a present out of the 'WoW' box with their peers. All you have to do is record something your child has done or had to work hard at on a leaf in the reception area and we will do the rest. We really enjoy celebrating your child's achievements with them so please try to get something on the tree once a half term.

## Coats and Spare Clothes

Part of your children's learning and exploring will happen outside everyday this is an essential experience that they hugely benefit from please ensure your child has a coat and appropriate shoes for this. We have a selection of different sized welly boots. We are becoming very low on our spare clothes, if you have borrowed anything please can these now be returned, or if your child has outgrown any of their clothes we would be very grateful for donations especially trousers and socks.

## Holiday Club and Grant Funded Holiday Sessions

October half term W/C 23<sup>rd</sup> October there is no funded sessions this week but we do still offer the £10 sessions for funded children from 9-12 or 1-4. This holiday is fast approaching don't forget to book in your children to avoid disappointment.

## Recommend a friend:

This is your opportunity to earn some money from us. All you have to do is tell your friends how happy you are with the service you receive and if their child enrolls with us and attends for more than a month you will have a cash payment, T&C's apply please ask for more information.

## Car Park

For those of you that are not aware we have 4 car parking spaces outside the nursery that are clearly labeled for Happy Days parents. Please do not use the other spaces as these are used by the staff and parents of the school. We do try to make handover and pickups a quick as we can, however important information needs to be shared so if there are no spaces please be patient and wait we will be as quick as we can. There is also alternative car parking available on the streets leading to the School, or down at the camel trail carpark, where you can walk across the school field on a tarmac path.

Thank you for your continued support, from Freya and all the team at Bodmin Happy Days.
