News from the Explorers

We would like to say thank you for bringing in all your family pictures our family board will soon be ready for the children to enjoy. Throughout October we will be doing themed weeks where we focus on different topics and our points of focus will be transport, autumn, Diwali and Halloween.

News from the Discoverers

Can you please bring in family photos with the names of the family members on the back. At the start of your child's session could you please bring their bag and coats into the room so we can get any nappies/coats etc. out of their bags and put them on their pegs at the end of the day.

News From the Adventurers

In our Adventurers room we have been focusing on ourselves, learning about our families, our

bodies and what we like or dislike. We will be focusing on maths, colours and shapes this month.

Welcome New Staff

You may have noticed some new faces within the nursery as we have some new members of staff. Welcome to Holly who will be working in the Explorers room and to Katie who will be working in the Adventurers room. We also have Aimee, our new deputy manager starting in the middle of the month.

Recommend a Friend

Recommend a friend is back! If you know of a friend in need of childcare and you recommend them and they start at Happy Days then we will give you something back as a thank you for your recommendation. Please ask Donna or Cassie for more information.

Authorised Collectors

Just a quick reminder, if someone other than the usual collector is picking up your child, please let either Donna or Cassie in the office know as there are safeguarding procedures in place within the nursery.

Start Times

It has been noticed that more and more children are turning up earlier than their start times. We would like to let you know that we are not insured to have children on the premises before 8am so please respect your child's session start time.

Thank you for your continued support from Donna, Cassie and all the team at Happy Days, Falmouth.
