October 2017

Newsletter

Welcome to our September newsletter

We have had a very busy start of the new term, with lots of new starters within both our explorers and Adventurers room. All children have settled amazingly with very few wobbles but that's all to be expected as it a big step starting nursery and leaving Mummy and Daddy.

Start Smart

All parents' emails have been registered with our Smart Start programme and the first emails will be sent out in October. If you have any questions regarding these please speak to your child's key person, or room supervisor Ali.

October is the birthday month for:

We would like to wish the following children a very happy birthday this month –
Coco – who will be turning 2!
Liberty – who will be turning 4!

Tax Free Childcare

As you are probably all aware by now, Happy Days are offering TFC for all eligible families currently attending a Happy Days setting.
www.childcarechoices.gov.uk.

Parents of non-funded aged children are still able to claim this government funded scheme that could help you fund 20% of your childcare fees!

**Childcare
Choices**

It is **VERY IMPORTANT** that you look into your eligibility, as you could be saving money – setting up an account and should only take you 20 mins! If you have misplaced your letter please ask for another and we would only be too happy to provide you with another.

Adventurers Room

Ali has asked if everyone can check their washing baskets and wardrobes at home for any of our nursery spare clothes. Could you please ensure that you return any that have been loaned to your child. We seem to have a lot of clothes missing and especially as a lot of children are toilet training at the moment, our stock is running incredibly low! We would be hugely grateful if anyone has any old clothes that they would like to donate for this purpose. Please can you ensure that if your child is toilet training, it would be handy if could bring in a full bag of labelled extra clothes from home. Thank you ☺

Facebook

Please all remember to like and share our Facebook page there are regular updates of what is going on throughout happy days and also individual nursery posts about what all the children have been up too ☺

Dates for your diary

And finally....

I would like to end this month by thanking all of our parents and carers for their continued support.

Kind regards,

Lauren Baker, Nursery Manager and all the team
