### News from the Explorers

The explorers have had great fun in their free flow area during November, looking at different features in their environment, such as sticks and pine cones, and how they can use them in their art work.

### News from the Discoverers

The Discoverers have used their senses in their play during November, creating different models with different scented playdough. They have also enjoyed developing their imagination in our space role play area.

### News from the Adventurers

Our enthusiastic Adventurers have learnt about Remembrance Day and the importance of the poppy. They have used their creative skills to make some fantastic firework pictures and have been developing their physical skills with parachute games and balancing activities.

The Smart Starters have been recognizing their names and some have even started to write their own name! Well done Smart Starters.

### Recommend a Friend

Recommend a friend is back!

If you know of a friend in need of childcare and you recommend them and they start at Happy Days then we will give you something back as a thank you for your recommendation.

Please ask Donna or Aimee for more information.

### Authorised Collectors

Just a quick reminder, if someone other than the usual collector is picking up your child, please let either Donna or Aimee in the office know as there are safeguarding procedures in place within the nursery.
