Where Children Shine

St Minver

December 2017

Newsletter

Welcome to December's newsletter

Hello!!! Welcome to this year's last newsletter and what a year it has been; so many achievements all of which would not be possible without your continued support. We would like to wish all of our children and their families a very 'Merry Christmas' and a 'Happy New Year!'

Extreme weather

In the event of extreme winter we would ask you to please consider the following guidance:

- Although the nursery will have ensured that we have food & bottled water on the premises, it would be helpful for infants to have extra formula or expressed milk brought in with them to the nursery that day in case collection is delayed.
- Please pack extra disposable nappies and comforters for your child in case of delayed collection.
- Ensure that your child has spare warm clothes & weatherproof footwear.
- The nursery will make every attempt to contact parents if we experience local weather problems. However, if our telephone lines are affected please try to contact us on the following mobile numbers: 07807018711 or 07754843266

Please be assured that your child will be well cared for by our staff until collection can be arranged. Please don't take any risks trying to reach us, take your time & drive carefully.

December is the birthday month for:

We would like to wish the following children a very happy birthday this month –

Lizzy who will be turning 2!
Summer who will be turning 3!
Ollie who will be turning 2!
Lux who will be turning 2!

Christmas Activities

During the festive period, we will be carrying out some fantastic Christmas activities and arts and crafts. Please see the attached sheet for some of the planning events we have arranged. If you would like to book your child in for any extra sessions, please see Lauren or Ali. Please note that places are limited.

Save St Minver Post Office

In the Adventurer's room we are supporting the local fundraising campaign to 'save St Minver post office'! The children have been making their own little post box money boxes to take home and collect any loose change. When their post boxes are full, we are donating the money raised to the community campaign. Any help and support is greatly appreciated.

Operation Christmas Child

A big thank you to all the parents who helped support their child (and the nursery!) in putting together shoeboxes filled with gifts and toys. We have donated them to the charity Samaritan's Purse. The children have taken great delight in the fact they have 'made a present' for another child in a different country.
