News from the Explorers

We have had great fun exploring different textures with all of our senses during the month of October and have especially enjoyed moving to music and movement with our daily wake and shake sessions.

News from the Discoverers

The Discoverers have been listening to their favorite stories and reenacting them through their play. They have been part of the stick man's family and also been witches in Room on a Broom!

News From the Adventurers

Our active Adventurers have been looking at different ways to mark make and developing their hand eye co-ordination by using scissors independently to cut shapes and make pictures.

The Smart starters have been developing physical skills with pouring and filing activities and mark making.

Recommend a Friend

Recommend a friend is back! If you know of a friend in need of childcare and you recommend them and they start at Happy Days then we will give you something back as a thank you for your recommendation. Please ask Donna or Cassie for more information.

Authorised Collectors

Just a quick reminder, if someone other than the usual collector is picking up your child, please let either Donna or Aimee in the office know as there are safeguarding procedures in place within the nursery.

Nursery News

Please look out for Christmas activity week poster and also our 'Breakfast with Santa'. Invites will be given out at the beginning of December.

We are also starting two new clubs. For more details please see Donna or Aimee.
