New children

We would like to welcome Jessie, Brody and their families to the Nursery who have joined us in the Explorers.

Updates on enrolment details

It is vitally important that we receive the correct contact details for every parent/carer at the setting. We give out forms for updates on a yearly basis, however, it is extremely important that you update us as soon as you become aware of any changes to contact details, including phone numbers, email address, change of address. We need to be able to contact you in cases of illness, accident or other emergencies.

When you return our calls please be aware that there is just one line into the nursery, therefore, if this line is engaged we advise the following options:

- * Continue to try the number repeatedly.
- * Email the nursery
summercourt@happydaysnurseries.com.
- * Contact our Support Centre, whose offices are directly above this building, on 01872 511020 or email enquiries@happydaysnurseries.com.

Smart Start

You should have all by now received the first Smart Start email of the term and your child will have received their Smart Start polo shirt. Further polo shirts or sweatshirts can be purchased through the office – please ask for details. You will continue to receive regular updates as to what is happening at nursery regarding this programme and suggestions of ways to support your child at home. Don't forget you can now start to register your child for a reception place at school for Sept 2018. The deadline to complete applications is January 15 2018

Nursery Photos

I am pleased to announce that I have managed to secure a visit from Concept, a specialist photography company which several of our other settings use and have recommended. They will be on site on Monday 20th November from 9am-2pm. Please let us know if you would like your child to be photographed.

If your child is not booked in on this day you are welcome to bring them along for the duration of the shoot. Appointments will be on a first come ,
