

Childcare Bank Staff

Bradley Stoke

Just finished your childcare qualification and looking for experience?

Want to return to childcare after a long break?

Looking for flexible work?

Being Bank Staff at Happy days could be the ideal position for you!

Happy Days are looking for Bank staff to join their teams. The work is very flexible and can be fitted around studies etc. Shifts could be mornings, afternoons, lunch cover and staff are very friendly and fully supportive of all supply staff that work in our nurseries.

You will need an NVQ level 2 or above in early years childcare (or equivalent) and be as enthusiastic about quality childcare as we are!

In return, Happy Days offers a great reward package including discounted childcare and extensive professional development, including training paid for by the company. We truly value our supply staff and often people join us initially as supply and become permanent members of staff.

If you are interested in applying, please send your CV to hradmin@happydaysnurseries.com **clearly stating which location/area you would like to work in.**

Please note that application can be made by CV, but we will always require an Application Form to be completed during the recruitment process.
