

Happy Days
Where Children Shine

Treloweth

January 2018

Newsletter

Welcome to our January Newsletter

Welcome back and we hope you had a fantastic Christmas and a happy New Year. All the children have come back excited and telling us about the presents they received from Father Christmas. A big thank you to you all for the kind gifts you gave to us.

Christmas Event

We had so much fun at our Christmas Party on Friday 15 December. We wore our Christmas jumpers and had a fabulous time at our party.

In the afternoon the children were very excited to have a visit from Father Christmas who was in his outdoor grotto. The children enjoyed telling him what they would like for Christmas. There was mince pies, mulled wine and hot chocolate to keep us warm and cosy in the grotto.

Donate a Coat appeal

We are collecting coats from 2nd to 18th of January, If you any old coats that you no longer need, for either adults or children, that are in a good clean condition please donate them to the nursery and help us to make a difference to people that may need them at this time of year.

Forest school sessions

The adventurers children have just finished their first six week block of forest school sessions with Dave, they have really excelled at all of the tasks.

So far the children have built bivouac's, joined in with tin-can cooking, learnt to care for the wildlife in the garden and used real tools to create new woodland crafts.

This month the children will be receiving a certificate and a special forest school badge to show off their achievements.

If you or a friend would like to learn more about forest school with your children we will be running a separate parent and child group on a

Thursday, to book onto this or for more information contact a member of the office team.

Nursery Revamp

Treloweth has been given a new updated look, with smart cladding added to the exterior of the building and a new security door system will be installed in the next couple of weeks.

Baby Massage

Our free Baby Massage courses have proven so popular that we are still running two sessions a week on a Friday afternoon.

If you would like to book onto the course or know someone who would, please give the office a call and we can arrange that for you.

Explorers

The explorers have welcomed Kathryn to their team and she has been really busy helping the children to use their senses through the exploration of lots of messy sensory play such as ice and gloop! Laura has been busy with the children reading lots of new books, she is also supporting the children's language development skills by showing them Makaton signs, which the children love to learn.

Discoverers

The Discoverers room have had a busy month getting festive with their friends to celebrate with their friends.

The children have been exploring new finger gym activities using their hands to and fingers to make small movements to practice holding pens and crayons and use different tools.

The Discoverers have been focusing on their number skills practicing with counting games and making their own duplo number lines trying to recognise the next number they have also been sorting out objects trying to categorize balls and other toys into colours and different types, this helps the children to learn about differences and similarities between objects.

Adventurers 1

Last month the children in the adventurers 1 room had great fun getting ready for Christmas, using all of their senses with Christmas themed ice play, making their own cards and helped to decorate their room. They especially enjoyed the visit from Father Christmas and were happy to sing some special Christmas songs to him.

The children have all been involved with forest school with Dave and one of their favorite activities was to make reindeers.

Adventurers 2

The adventurers have been enjoying lots of sensory activities exploring playdough, gloop, slime and clay. We have been finding out what the children understand and using lots of new words to develop their knowledge.

We are always exploring in all the different weathers or favorite thing has been watching pom poms fly around in the breeze and water painting in the rain.

The adventurers 2 building is now open all week for funded sessions!

Pirates

The pirates love to spend their time in the outdoor area- spending time taking part in forest school activities. They have also spent lots of time getting to know each other and playing new team building games.

We also have some budding chef's with our older children making lots of delicious treats for our friends to share.

January is the birthday month for:

A very Happy Birthday to the following children this month:-

Ella, Vinnie and Chelsea who will be 3
Caiden, Anaya, Max, Jessie, Freya, Dexter and Jessica who are all 4
Alexander who will be 6 and
Levi who will be 7.

Have a lovely time!!!!

Term dates for your diary.....

We may have only just started the New Year but the next school holiday will be fast approaching.

Half term is 12th -19th of February.

The Easter Holidays are 30th March- 16th of April.

Please note that the nurse will be closed on Friday 30th March and Monday 1st April for the bank holiday weekend

Thank you for your continued support from Vicki and all of the Treloweth team.

Would you recommend Happy Days Treloweth?

If you are proud to say that your child attends a Happy Days nursery, please spread the word! You can also put in a recommendation by using the following simple steps...

- Go to Google Maps
- Search Happy Days Treloweth
- Click on "Write a Review"

Childcare Choices

The government is introducing new ways to help parents with childcare costs and you should have by now been given a letter to sign up using the Childcare Choices website where information about the different options available can be found:

Don't forget to follow us on.....
